

Lily Housewares

Brief Introduction

Lily Housewares Co., Ltd is a trading company established in 2000. Our company is located in Hangzhou, the provincial capital city of Zhejiang Province.

We export a full range of kitchenware, mainly focus on baking mould, pepper mill and bar tools. We have a rich source of products and close cooperation with many manufacturers for over 10 years.

We always keen on providing customers top quality products with top credibility and top service. Now we're in steady development and have established a long-term relationship with various companies over different continents, especially the European companies, which is our main market.

We are eager to make new friends and establish good business relationship with people from all over the world. In Lily Housewares, service is always the focal point and customers are the highest priority - forever.
